

St-Vincent And The Grenadines Aboard Your Own Yacht

Since primeval times, St. Vincent & the Grenadines were regarded by most as the "Jewels of the Caribbean". Blessed with lush mountains, volcanic-rich soil and unspoiled landscapes of brilliant flora and beautiful crystal clear waters and add to this the idyllic islands and deserted cays of the Grenadines and the entire country emerge as a prime eco-playground.

Now imagine yourself waking up on a luxurious yacht anchored in a serene and tranquil bay. With coffee in hand as your breakfast is being prepared while you ponder with the crew your daily itinerary and whether to go for a morning swim, take a hike in the rain forest, go for a sail or just stretch out with a good book.

Custom cruises and charters offers the most innovative vacation packages available to anyone who loves to discover St-Vincent and the Grenadines, and several other Leewards and Windwards islands, very intimately, aboard a luxurious privately owned and operated trawler yacht.

Until now you either could view these islands aboard a giant cruise vessel and from behind the ships side rails, docking now and then where the docking facilities permit it, mostly in larger commercial islands never being able to set a foot on those deserted islands and magical coves. Today you can charter a Yacht locally owned and operated that comes with a captain and cook for much less that you'd expect. Then if you're not acquainted with this area you need to rely on your chartered captain for security, itineraries and food.

The benefits of a customizable vacation itinerary that will allow you the opportunity to define the type of cruise and activities you wish to experience during your visit. Aboard your own Yacht you'll enjoy one of the most unique charters and cruises experiences to be found in the world. Enjoy sunny weather and temperature averaging 85 Fahrenheit with a cooling breeze from the trade winds. Follow the sound of the wind and let experience professionals transport you to the beautiful St-Vincent and the Grenadines and several other Leewards and Windwards islands and experience any of the many activities like;
