Extras, like minibar and room service, are included in the base cost so you do not end up with a huge bill at check out. It is a short walk to P. Catalunya and close to the city. For those that like quiet nights, the Casa Camper Hotel is removed enough from the nightlife so it provides a quite sleeping environment. The Casa Camper hotel in Barcelona received great reviews and was listed as well worth checking out.

The Hotel Arts hotel in Barcelona has 402 rooms and is located on the beach. While not every hotel in Barcelona is not usually known for its beaches, the location does provide beautiful views. It is not quite near the city, so you must travel to get to attractions. The nearby restaurants provide wonderful cuisine that makes the location desirable. Overall, it was reviewed as a great hotel, but not really worth the price.

The Neri Hotel in Barcelona has artistic décor that draws you into their 22 room establishment. With the use of stone and wood, the décor is beautiful. There are locked minibars and safes provided in the modern and clean rooms. There is a restaurant on site, although guests say you may never try it because of the closeness of so many other great bars and restaurants. This was noted by guests to be a great buy.
