

Fall Wedding Favors and Fall Favor Ideas

Fall is just right around the corner and you are getting married during the fall season. Well what better way to add a little bit of color and theme to your Autumn wedding than with fall wedding favors. There are many different fall wedding favors so we are going to sort them out and give you some great fall wedding favor ideas that you can use for your wedding.

Fall themed wine bottle stopper favor

The stopper has a sturdy metal core lined with a black rubber stopper rim topped with a stylishly-tilted leaf silhouette. Each bronze metal wine stopper is packaged upright in a deluxe clear box with a fall design top and bottom allowing a dramatic 360 degree view of the favor, finished with a sparkling bronze organza bow and a designer leaf shaped thank you tag attached.

These are some really great wine stoppers for your fall event. They perfectly fit with the fall theme and they are great for your cocktail hour. Your guests can take these stoppers home and use them on their favorite bottles of wine and always remember the nice time they had at your wedding.

Autumn themed bookmark favor

Now this favor is great for the book lovers. Give your guests a useful favor that will bring memories of your special event each time they enjoy a relaxing read. The gold toned metal favor has a sturdy clip base with a bronze rhinestone decorated double leaf design top. The favors come individually packaged in a clear topped box with an ivory bottom tied with an ivory organza bow with a fall themed thank you tag attached.

These favors are great for other events other than just weddings. If you know the book lovers then this is a great themed gift for the fall season.

Leaf shaped fall candle favor

Now this fall candle favor will add that added touch to any reception or fall event. Candles add warmth and atmosphere to any room and these candle favors will also add autumn flair to your event. The favor resembles a spectacular fallen leaf in two colors – rust/yellow and green/yellow. Each has a rhinestone decorated poly resin leaf shaped base with a clear glass holder and white candle at its center. Each comes in a clear plastic box tied with an ivory ribbon and an attached fall themed thank you tag.

Well there you go. I didn't want to go on and on about all the latest fall wedding favors that just came out. But there are some nice ones. So what you need to do is just go look around and think of how you would like your reception to look.

Do you want stoppers for the cocktail hour, fall themed place card holders or do you just want candles. These are some things you need to think about when it comes to choosing your fall decor.

So just look around on the internet and we are sure that you can find some great fall wedding favors and some fall wedding favor ideas for your wedding or event.
